

Central Coast Sheet Metal and Fabrication

14th November 2024

Dear Valued Customer,

Please be advised that due to increases by our suppliers, there will be a price rise effective 1st February 2025 as follows:

- **COLORBOND Steel by 4.8%** - This includes all product manufactured from Colorbond Steel including roofing, walling, flashings, rainwater goods, tradework etc
- All **Painted accessories by 4.8%**
- Direct to site deliveries by approximately **\$15** per drop

We understand the impact of price increases on business and have kept the increase to a minimum. We will work closely with you to ensure we are competitive in the current market.

Thank you for your understanding and continued support.

Kind Regards

Paul Newley

Director
